### **DETAILED ACTION**

1. This office action is in response to application 09/985,768 and amendment filed on 2/8/2007. Claims 1-14 remain pending in the application.

2.

### **EXAMINER'S STATEMENT AS TO THE REASONS FOR ALLOWANCE**

3. Claims 1-14 are allowed over the prior art of record.

4. The following is an examiner's statement of reasons for allowance: as to claims 1 and 10-14, the prior art of record does not teach or fairly suggest a combination of selecting and eliminating steps as recited in the claims, where essential test stimuli selected in claim 14 is defined the same as recited in claims 1 and 10-13 (illustrated in Fig. 2, where test vectors t3, t5, t6 and t7 are defined as essential test vectors). The selection step is performed first and then eliminating step is performed next to eliminate redundant test stimuli from among subsets of test stimuli, where the redundant test stimuli in claim 14 is also defined the same as recited in claims 1 and 10-13 (illustrated in Fig. 3, where test vectors t1, t2 and t4 are left over after removing redundant test vectors).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
